

# THE PORT OF DOVER

**THE LARGEST ENTRY AND EXIT POINT FOR HAULIERS AND LOGISTICS COMPANIES ENTERING AND LEAVING THE UNITED KINGDOM.**

Located within the Port of Dover, 1km from the ferry departure/arrival point with very easy access, Motis FSA has a number of cargo facilities that can add some fantastic financial and operational benefits to your daily business, offer the following:

- Pallet collection across UK / Ireland for Next day delivery to our facility in Dover. You collect en-route to the port. No need for expensive driving costs to collect smaller consignments. Why not collect them on the way to the ferry?
  - Next day pallet delivery across the UK / Ireland – If you have a small number of pallets to deliver it is likely we can deliver it quicker and cheaper for you (see comparison table overleaf). Avoid Expensive delivery costs, also avoid congestion zone charges.
  - Parcel consolidation – Large numbers of parcel collections from UK / IRL addresses for EU delivery?. Why not consolidate in Dover, we will palletise and send (or you can collect) directly to the country of distribution (No expensive International Mail, utilise domestic mail service for significant cost savings **IDEAL FOR A RETURNS SERVICE.**
- Or
- If you have large quantities of parcels/small consignments to deliver to the UK / Ireland why not send a full pallet for us to break down and distribute through the domestic services, providing some further significant cost savings.
  - Short-term cargo storage and cargo transfer, secure facilities available.
  - Cross docking and cargo handling all available.
